REPORT ON MEETING OF THE BOARD OF REGENTS

The Board of Regents met in regular session on June 9, 1971. Dr. Lowell H. Harrison and Miss Linda E. Jones were sworn in as members of the Board. Dr. Harrison succeeded Dr. Herbert E. Shadowen as faculty regent, and Miss Jones replaced Mr. John Lyne as student regent.

Approval was given to the budget of \$23,001,194 for the 1971-72 fiscal year. Of this amount the sum of \$19,175,244 represents the general fund operating budget with the balance budgeted for retirement of bonded indebtedness and for capital improvements. In order to provide what is essentially a continuation budget, it was necessary to make reductions in expenditures in some segment of practically every budgetary unit within the University. The budget is based on a level of enrollment consistent with the enrollment for the fall semester of 1970, and it does not provide for new programs except in cases where previous program commitments have been made with accompanying anticipation of the need for appropriate financing.

In other action the Board named Dr. Burch Oglesby Head of the Department of Physical Education and Recreation. Dr. Oglesby has been serving as Acting Head of the Department since August, 1970. Dr. James W. Wesolowski was named to the Headship of the Department of Mass Communications, and Dr. Edmund E. Hegen was appointed Head of the Department of Geography and Geology. Dr. Hegen, who is currently Associate Professor of Geography and Research Associate at the University of Alabama, will join the Western faculty in August. In other personnel changes Dr. F. Kent Campbell was appointed band director, and Mr. Jerry Allen Bean was named to the position of head track coach.
